

Output Screenshots

#Create Account Page

The screenshot shows a web browser window titled "Create Account - Grocery Store". The address bar displays the URL "localhost:8080/OnlineGroceryStore/register.jsp". The main content is a "Create Account" form with the following fields:

- Full Name:** A text input field placeholder "Enter your full name".
- Email:** A text input field placeholder "Enter your email".
- Password:** A text input field placeholder "Enter password".
- Phone:** A text input field placeholder "Enter phone number".

A large pink button at the bottom center contains the text "Register". Below the button, a link says "Already have an account? [Login](#)".
